This Agenda is to provide notice that the Site Designation Committee will be considering applications at a public meeting (on the above date) submitted pursuant to Health and Safety Code sections 25260 through 25268. If you need further information, please go to:

website <http://calepa.ca.gov/Programs/SiteDesignation>

or contact Laurie Grouard at (916) 323-3394

Notice: Testimony will be taken from those who identify themselves as wishing to speak at the beginning of the proceedings. Speakers for each item will be called in the following order: Applicant, Proposed Administering Agency, Representatives of Organizations, Governmental agencies; and other interested parties. Please note that there may be time limits placed upon testimony according to the number of parties who wish to participate. When submitting written comments, please provide 10 two-sided copies.

1. Consideration of a request from the Administering Agency, San Francisco Bay Regional Water Quality Control Board, to review and redesignate the Sherwin-Williams Company site located at 1450 Sherwin Avenue, Emeryville, Alameda County, California, more particularly County Assessor Parcel Numbers 9-1041-6 and 49-1041-26-2 and the portion of the former Rifkin Property [now owned by Chiron Corporation] located at 4525-4563 Horton Street, Emeryville, Alameda County, California, County Assessor Parcel Number 0049-1041-0005. The Regional Water Quality Control Board has recommended in their request that the Department of Toxic Substances Control be designated as the Administering Agency under the provisions allowed by the California Health and Safety Code section 25267.
2. Consideration of an Administering Agency and creation of an Advisory Team (if requested) for Hard Chrome Engineering located at 750 and 764 107th Avenue, Oakland, Alameda County, California, County Assessor Parcel Number 045-5251-005-02 (shown in the Department of Toxic Substances Control's Consent Order as Assessor Parcel Number 45-5251-5-2). The applicant, Dee M. McLemore Trust, has requested that the Department of Toxic Substances Control be designated as the Administering Agency.
3. Discussion/proposed changes to the Site Designation Tracking document.
4. Open Discussion.

SITE DESIGNATION COMMITTEE
California Environmental Protection Agency
Cal/EPA Headquarters Building
1001 "I" Street, 2nd Floor, Sierra Hearing Room
Sacramento, California 95814

February 23, 2006
1:30 p.m.

Because there has been public interest in activities at these sites, and the Committee wishes to hear relevant information without unnecessary delay from all parties who desire to speak, the Committee will conduct this proceeding in the following manner:

The Committee will hear testimony only from those who identify themselves as wanting to speak at the beginning of the proceeding. Testimony may be restricted to the following time limits according to the number of parties who wish to testify. Testimony will be heard from parties in the following order:

1. The applicant (maximum of 20 minutes)
2. Proposed Administering Agency (maximum of 20 minutes)
3. Representatives of organizations
(maximum of 20 minutes each)
4. Governmental agencies
(maximum of 10 minutes each)
5. Individual (maximum of 5 minutes each)

The Committee will also consider any written comments that are received prior to the meeting date. The Committee may modify these limits if conditions warrant.
